

Provider Training Information

There are several options available to providers to receive the necessary training to meet all certification requirements:

- **Ohio Department of Developmental Disabilities** – This is a free 8 hour training that is offered online through the DODD website (www.dodd.ohio.gov). It is not necessary to obtain a DODD portal account username and password in order to access the DODD MyLearning link. You may also sign in as a Guest. Click this link to obtain information on training <https://dodd.ohio.gov/wps/portal/gov/dodd/about-us/training/departments-provided-training/eight-hour-provider-training>
- **The Academy of Direct Support Professionals** – This is a classroom setting that is an 8 hour training session scheduled at different locations. It is now being offered in Montgomery County, free of charge. It is also being offered at other locations. The location will be identified on the Academy’s website calendar. The cost of the training varies dependent upon the location. Go to www.academy4dsp.com and click on the Classes tab located at the top of the page. The course section will be “Mandatory Orientation and Annual Renewal Training”.
- **CEUCertificates.com** – This is an online training option. The entire 8 hour course will cost \$60 (Option 1). They also offer Annual Training Requirements at a cost of \$60 (Option 2).
